

ARMAGEDDON

and the 4th Timeline

A SPIRITUAL ODYSSEY THROUGH TIME & ETERNITY
Don Mardak

While the United States' military and intelligence communities pull out all stops in an effort to prevent a nuclear holocaust, one man—encouraged by his enlightened Tibetan Master—strives to rise above this arena of conflicting forces.

Can he find a place in the past where altering a key event could change the future and prevent Armageddon?

Don Mardak's second exciting novel, *Armageddon and the 4th Timeline*, is a fast-paced adventure through time and space, as mankind faces the enormous specter of violent and cataclysmic annihilation.

A Walk in the Garden of Wisdom

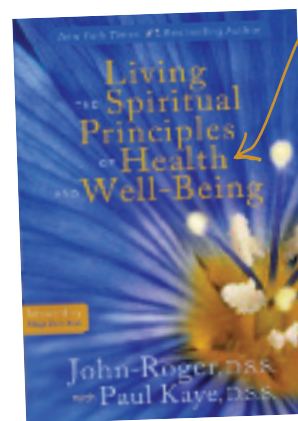

Intuitive Reflections
By Herbert Santos Silva

A Walk in the Garden of Wisdom takes Intuition, Values and Wisdom as guides. The book stimulates the readers to identify and strengthen their essence and true rhythm, showing that these are decisive factors for a better life.

The reading of *A Walk in the Garden of Wisdom* inspires subtle and powerful changes in the attitudes in order to create and sustain a new rhythm of life, which can become reality, stimulating each one to bring up the treasures that are hidden inside the self. This book provides a natural theme for a personal enriching journey. It is highly indicated for those who appreciate the philosophy of Oriental wisdom combined with Western concepts.
