A Master Speaks, Vol II

From the dawn of time, a group of highly evolved spiritual Teachers has guided humanity from behind the scenes. Now, at this time of planetary crisis, these Masters of Wisdom are returning to the everyday world to help humanity create a future of peace and justice.

Share International magazine's founding editor, the late Benjamin Creme, a disciple of one of these Masters, presented information about their return for over 30 years. His own Master dictated an article for every issue of *Share International* from the magazine's inception in 1982 to 2016.

A Master Speaks, Volume II, contains articles from 2004 to 2016, stunning in their depth of insight and an inspiring picture of our life ahead.
