

The Twelve Layers of DNA

An Esoteric Study of the Mastery Within

By Lee Carroll - Kryon Book Twelve

This is the long awaited twelfth book in the Kryon series. Three years in the making, it is the first book of its kind, and may eventually define the more than 20 year Kryon lineage.

DNA is our chemical blueprint, but the Human Genome Project found that over ninety percent of it is not coded. In fact, only approximately four percent creates the 23,000 genes in the Human body. The rest? It's a puzzle to the extreme, and to this day there is no answer why most of DNA seems to have no symmetry or codes of any kind. In fact, it seems to be random.

Kryon has now given us full channelled explanation of this, and brings it right into the quantum world. Is it possible that DNA is mostly quantum instructions? And if so, what's in those instructions that comprise over 2.7 billion chemicals per strand?

Here is a full revelation of the twelve layers, or energies of DNA, complete with full color channelled illustrations of each layer by Israeli/American artist Elan Dubro-Cohen. Could it be that our entire Akashic record is carried in our DNA? What else might be represented? It starts to make sense, and the most recent discoveries of quantum physics only enhances the potentials of this quantum molecule.

With a foreword by DNA researcher Dr. Todd Ovokaitys, this book is an esoteric breakthrough. Lee Carroll narrates throughout, and Kryon presents the actual energies of DNA.

Now in it's third reprint in less than one year... the fastest selling Kryon book ever!

HUMAN RACE GET OFF YOUR KNEES

THE LONG AWAITED NEW BOOK BY
DAVID ICKE

Humanity is at a fork in the road and it's time to make a choice. Are we going to awaken to our true genius and potential as infinite consciousness? Or are we going to remain entrapped in the body/mind and the manufactured illusions of the Matrix?

One choice will give us freedom and potential on a scale we could not have thought possible, while the other will condemn us and our children to a global fascist/communist dictatorship on a scale that would make George Orwell wince.

His most staggering revelation is that the Earth and the collective human mind is manipulated from the Moon, which, he says, is not a 'heavenly body', but an artificial construct - a gigantic 'spacecraft' - which is home to the extraterrestrial group that has been manipulating humanity for aeons.

You cannot read *HUMAN RACE GET OFF YOUR KNEES* and be the same person you were when you picked it up. It is life-changing, reality-changing and its information, if acted upon, will set us free.
