Never Letting Go

Heal Grief with Help from the Other Side

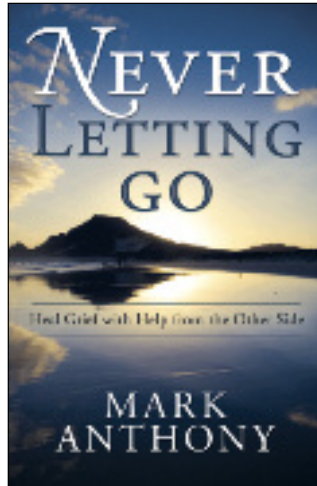

By Mark Anthony

Mark Anthony's best-selling book, **Never Letting Go** is a powerful guide for those suffering from the pain of grief. **Never Letting Go** is inspirational by providing evidence of the Afterlife through incredible true stories of people touched by Mark's work as a Psychic and a Lawyer. It teaches how to recognize when loved ones in spirit make contact, and heals with messages of love and hope from the Other Side.

Mark Anthony, the Psychic Lawyer, is a medium and Oxford educated attorney. He was raised by "psychic

parents." These exceptional factors are part of what makes Mark's voice clearly unique. A natural story teller, Mark engages his readers and provides hope, inspiration and comfort. A truly compelling read for anyone, of any faith.

Let It Begin With Me

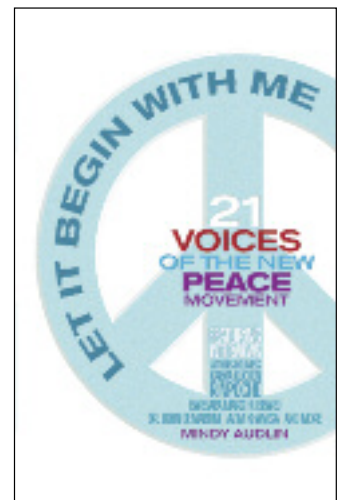

21 Voices of the New Peace Movement

By Mindy Audlin

The peace movement has come a long way since the "make love, not war" mantra of the 1960s. No longer are activists solely focused on the end of violence. A new consciousness is taking hold that realizes the power and potential of creating a new vision of peace, allowing it to express in our world.

In **Let It Begin With Me**, 21 best-selling authors, speakers and visionaries explore the possibility of peace, each from a different perspective. Gain inspiring ideas for your own spiritual practice, create your own definition of peace, and learn how to make a difference in your community and in the world.

The book features interviews with His Holiness Karma Kuchen Rinpoche, Barbara Marx Hubbard, Dr. John DeMartini, Azim Khamisa and more!
