## Remember to Remember

### *The Mayan Mysteries*

By Carol Parrish-Hara, Ph.D.

Beginning with the lost worlds of Lemuria and Atlantis we find ourselves caught up in the story of an empire that has left its impact. From a false belief of envisioning our forefathers and mothers as primitive natives, we gain an awesome recognition of the wonders of encoded hieroglyphs, parables, legends and oral teachings. This fascinating book integrates the contribution of the Maya with other wisdom traditions.
