For you, your kids, your friends! Learn about your chakras with Joey and Marissa as they walk through gardens of color with their teacher. Beautiful illustrations and exact language will guide you as you learn about the locations, colors and attributes of each energy center. Recommended as a shared text with children under 11, overall, ageless. Well-researched and lovely.

THE BIRTH OF BELIEF: Alien Alert! by James Roe

Earth was visited by interplanetary travelers on July 26, 2010, and was photographed by Mr. Roe, who observed 10 spacecrafts enter our world through a portal over the Mohave Desert, Ca. Mr. Roe's experience was so intense that he is inspired to inform people that their future experience with interplanetary travelers will begin with **THE BIRTH OF BELIEF!**
