AiM for Life Mastery™

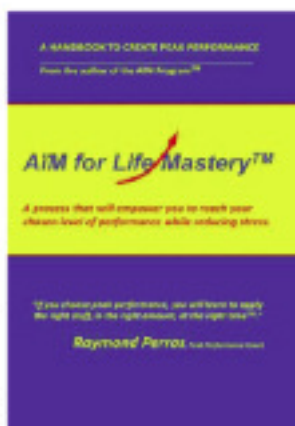

A process to empower you to reach your chosen level of performance while reducing stress
 By Raymond Perras, Peak Performance Coach

An indispensable guide to peak performance! Whether performing in business or sports, or just living your life, there is a constant demand on your abilities, skills, experience and knowledge to produce the best results. Knowing how to apply the right stuff, in the right amount, at the right time™ can be the difference between "good enough" and excellence. The key is to seek peak performance in a uniform, consistent and repeatable way. Join the people who have learned to master their lives.

About the book - "The focus on vision, values, reframing, and gratitude are certainly on track. These are clearly the core elements of peak performance and mastery."

Jim Clemmer, speaker and author of seven books on Practical Leadership

Shift Happens

A Novel of Awakenings
 By Jerry Thomas Boyd

In this adult novel, two mature gay men navigate some unexpected trials in their fledgling relationship after one of them takes off on an extraterrestrial contact adventure. When Andy disappears from his San Francisco flat, Richard, his lover of 3 months, finds him 10 hours later on the slopes of Mt. Shasta. Andy the believer is definitely on the fast track for spiritual evolution but can Richard the skeptic keep up?

UFOs and assorted ETs, threatening Men in Black, the Pharaoh Akhenaton, disembodied intelligences, movie goddesses and telepathic animals, not to mention dead ex-lovers, are just some of the players in this often humorous, but multi-leveled journey of awakenings to an expanded awareness of a multi-dimensional reality. Find out how Disco on a space ship and a revealing Hollywood dream sequence, help Andy realize new layers of trust, authenticity and commitment within himself and others.
